Dear Residents, Friends and Family,

November marked a great start to the holiday season here at Riverview. The month was filled with festive activities and celebrations with even more to come next month.

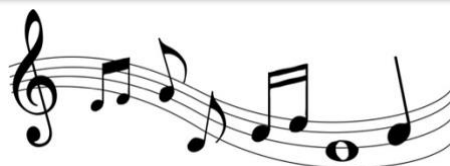

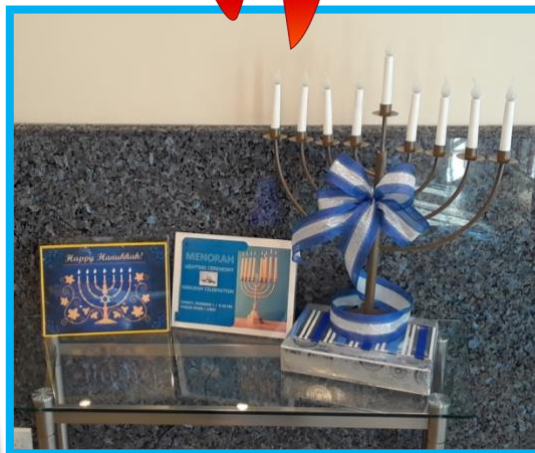

Just a few weeks ago we celebrated Thanksgiving, and the consensus is that Chef Artie outdid himself with a delicious turkey dinner he prepared for our residents. Remember what they say, calories don't count during the holidays!

Many thanks to the residents who assisted in decorating the community! With your help, we made Riverview feel merrier with trees, garland and menorahs among other festive decor. We are happy to say that our tree lighting ceremony was a success, and of course, we have included some lovely photos from that event.

We hope you are excited to see what's to come this month. All of us at Riverview, wish you a wonderful holiday season. Here's to a great December!

A LOOK AT NOVEMBER

Riverview Tree Lighting

Riverview residents and staff have been hard at work decorating the community to make it more festive and fun. Three beautiful trees have gone up around the residence, have you spotted them all? Which one is your favorite?

Although Rockefeller Center is only minutes away, there was no need to brave the cold for the tree lighting, as Riverview hosted its very own lighting ceremony in the dining room. Our afternoon entertainment with Lydia had many renditions of Christmas classics. Her festive tunes had us all excited for the holiday season. We hope you had a great time at the lighting!
