Dear Residents, Friends and Family,

April has arrived and it is finally starting to feel like spring. The days are getting longer and the weather slowly starting to warm up. April is regarded as a month of growth. It is a month when the plants start to grow and flowers bloom.

The month of new beginnings is a great time to try something new. Interested trying an activity that is not on the calendar? Let us know! Feeling adventurous? 9th avenue has a diverse array of international cuisines. There is something for every taste! Want to try something outside of the neighborhood? Macy's has its annual flower show in Herald Square and the Brooklyn Botanic Garden hosts a Japanese Cherry Blossom festival this month.

Riverview also has many things planned for April. Be sure to take a look at our calendar and we hope to see you at our events.

Happy April!

A LOOK AT MARCH

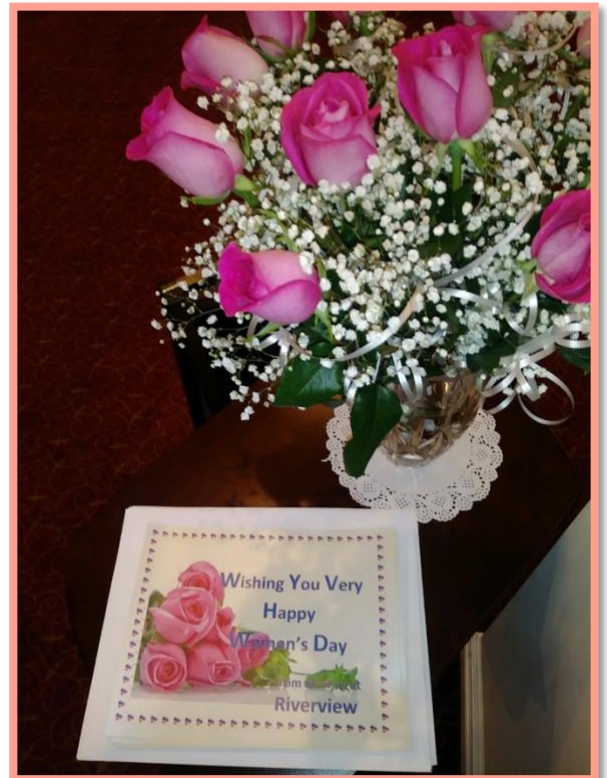

St. Patrick's Day

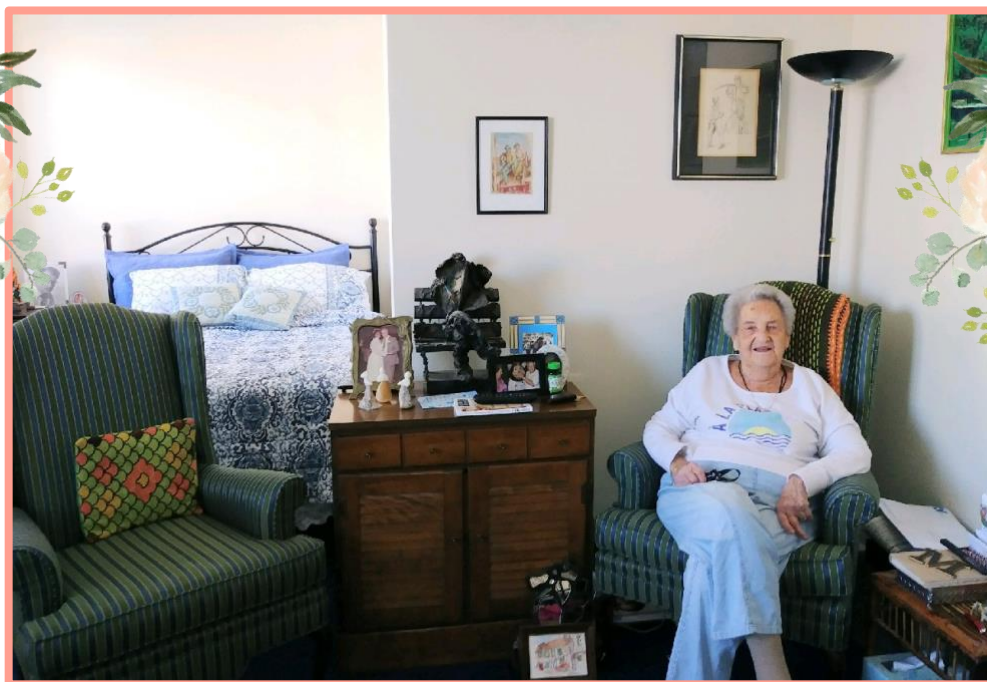

International Women's Day

On March 8th, Riverview joined the international celebrations honoring all women on this special day. This day was first observed in the U.S. in 1909. It's meaning and purpose has transformed throughout the years and it is commemorated in different ways throughout the world. In the U.S., it has come to be a day to celebrate women's achievements and innovate for change.

Here at Riverview, we celebrated the women of our community with pink roses. We hope you all enjoyed your special day!

Resident Spotlight

Our very first featured resident is Muriel, 85, who is known to have an unparalleled sense of humor.

Muriel is incredibly proud of her place and with good reason. Her alcove is a sea of multiple shades of blues, with a story behind every piece.

Having worked in education, it comes as no surprise that she is a devoted scrabble player. Challenge her to a game on PH1!

Welcome New Residents!
