St. Patrick's Day**

**Dear Residents, Friends and Family,**

The shortest month of the year has come to an end and it sure was eventful. Groundhog day resulted in Punxsutawney Phil failing to find his shadow, which according to legend, points to an early spring. The odds that this prediction is accurate aren't the best, considering that the weather forecasts indicate cold temperatures and bouts of snow throughout the next couple of weeks. But you never know, maybe the weather will surprise us!

March brings the first week of spring and along with it, daylight saving time. Remember to set your clock one hour ahead on Sunday night, we wouldn't want you to miss breakfast.

On another note, we are really enjoying all of your movie suggestions! We hope you'll continue sharing them with us. The same goes for any operas, concerts or virtual museum tours you'd like us to show. We hope to see you at our various activities this month!

Happy March!

## Valentine's Day

On February 14, Riverview celebrated Valentine's Day with live entertainment, sweet treats and a gift to the residents.

Jeffrey Folmer provided us with an energetic musical performance, that included both covers and original songs. The dining room was skillfully decorated with various hues of pinks and reds, it really looked wonderful! We hope you all enjoyed your gifts and had a fun time at our Valentine's day party.

## Welcome New Residents!
